Oral Presentation Guidelines

1. The total time allotted to each speaker will be 10 minutes (8 for presentation and 2 for questions).
2. The participants have to upload a video walkthrough of their presentation, with the participant's introduction (name, affiliation and topic) which will act as a guided presentation for the attendees to view or listen. (Strictly upto 25 MB).
3. The research presentation could be structured as Introduction, Objectives, Workflow, Results, Conclusion, References and Acknowledgment.
4. Content on each slide should be readable with minimum font size of 14.
5. Try using general font types such as Times New Roman.
6. Presentations should be prepared in the widescreen format with a ratio of 16:9.
7. The presentations will be accepted in PDF (converted from PPT) format only.
8. Please ensure to save the name of your PDF file in the following order only – ICABB_ID_time
9. The presenters are required to stay for Q&A session.

2nd point is for the presenters attending conference online. Offline presenter may ignore the second point.
